PREFACE

Quizzing is a kind of spiritual recreation. it activates the memory and is a type of intellectual competition. It is useful in occupying time in Sunday schools, on picnics, in clubs, and on numerous other occasions.

Quizzes on the Holy Bible has many advantages :

They provide information from the Bible; they link different pieces of information to each other, they draw the attention to certain fields of knowledge, and they are an incentive to the further acquisition of knowledge.

This book includes 366 Quizzes on the Holy Bible divided into various subjects to facilitate its use. The second part of this book consists of the answers to these questions.

We hope, by the grace of God, to follow this book with others, either other Quizzes on the Bible, or on Church history and the lives of the Saints, or other kinds of religious information.

So farewell till we meet in the other parts if by the grace of God it is His will and if He grants us life.

Pope Shenouda III.

The sinner is spiritually dead as the angel of the Lord says to the church of Sardis "you have a reputation of being alive, but you are dead" (Rev. 3:1), and as the father of the lost son repenting said of him, "this brother of yours was dead and is alive again; he was lost and is found" (Luke. 15:24,32).
346. "Blessed are they whose transgressions are forgiven, whose sin is covered. Blessed is the man whose sin the Lord will never count against him" (Rom. 4:7,8), and also (Ps. 132:1,2), (Ps. 32:1,2), (Jer. 31:34), (2 Cor. 5:19).
